Music List

The Arch Rivals Company Music List provides countless selections of songs from all decades. Our "all-request" format ensures that we will play the music that you want to hear!

All of the songs on this list WILL be brought to your function. When choosing your requests, select danceable songs that all of your guests will enjoy. Since we can only play approximately fifteen songs an hour, it's important to pick songs that have the highest response to your celebration.

In order to meet your special requests, please return this list to our office at least one week prior to the event. Since we cannot guarantee that we will be able to provide all of your extra write-in requests, you are welcome to bring your own CD's or MP3's for the DJ to play.

THE ARCH RIVALS COMPANY uses an "all-request" format for music selection. This puts **you** in control of the music selection, while still allowing the DJ to use their expertise to pick the order. Please mark any songs you would like to have played.
